

Equality and Diversity

Simpson Sissons & Brooke LLP is committed to promoting equality and diversity for all staff and job applicants. We aim to create a working environment in which all individuals are able to make the best use of their skills, free from discrimination, harassment, and in which all decisions are based on merit.

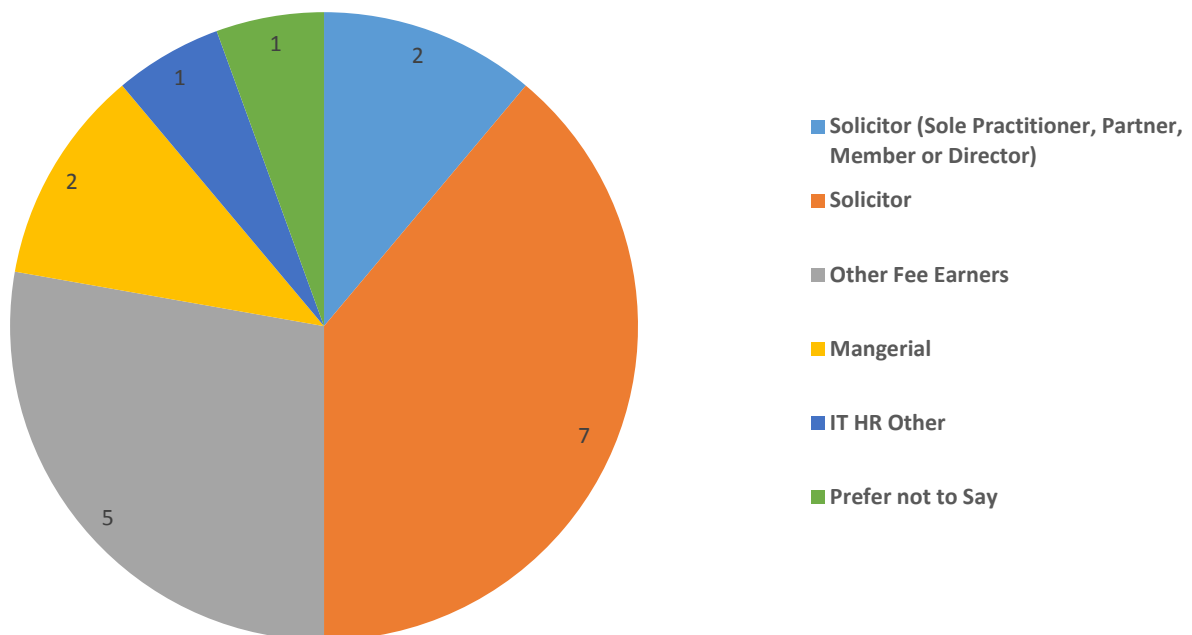

We do not discriminate against staff on the basis on their gender, sexual orientation, marital or civil partner status, gender reassignment, race, colour, nationality, ethnic or national origin, religion or belief, disability or age.

The principles on non-discrimination and equality of opportunity also apply to the way in which staff treat visitors, clients and former staff members.
